Subject

Re construction of a new Musafirkhana at Chin patna.

Office of the Deputy

Bangalore District

Dated Bangalore, 14th March 15

From,

P.F.Bowring, Esq.,

Deputy Commissioner,

Bangalore District.

To,

...Aravamudu Iyengar, Esq., B.A., B.L.,

Joint Secretary to the Government of His Highness

the Maharaja of Mysore, Muzrai Department.

Sir,

With reference to your letter No.1710/Muz.534-16-8 of the 6th January last, enquiring whether the District Board are willing to construct a new Musafirkhana at Channapatna, I have the honor to reply in the negative. An extract from the Board's proceedings dated the 2nd instant is herein enclosed.

2. If the Government consider that there is no use in repairing the existing Chattram, then a new Rest House may be constructed at the place for the convenience of travellers, out of the Muzrai Funds, using such of the materials of the old Chattram as are strong and useful.

3. The enclosures received with your letter under reply are hereunto returned.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Extract from the Inspection Notes.

"The Chattram building was next visited. This is a very old building and it seems useless to invest any money on its repairs. The whole thing has to be pulled down and a new building constructed. The District Board has to be asked whether it would make a contribution to this effect as there is no Musaffirkhana at the place".

Sir,

Adverting to your letter No.2631/Muzrai 524-16-4 dated 13th April 1918 requesting to forward a modest estimate for the construction of a rest house at Chennapatna for the convenience of travellers, I have the honor to submit herewith with its enclosures (plan and report) an estimate amounting to Rs.3,064/- prepared by the District Maramat Engineer, and received with his No.C.527 dated 11th May'18. It has been reported that the materials of the old Annachattram building are not of any service, and hence they have to be auctioned. If funds permit, it would be useful to have a well attached to the Rest-House, for which a sum of Rs.300/- is required.

S i r,

With reference to correspondence ending with your No.3041 Muzrai 524-16-20 of 2nd April 1919, re the construction of a rest-house at Chennapatna, I have the honor to state that the design for a chattram building as now proposed does not commend itself to me. It seems to be quite suitable for a family and the object with which the chattram buildings are provided would be frustrated as the local officials may make a misuse of it. A building intended for a chattram must, in my opinion, afford accommodation to four or five travelling families, besides possessing a verandah. It would be desirable if a few shops are added in the front, so that the rent may be utilised for the up keep of the building. With this view I give below a rough plan and if Government approves it may be taken as a model one.

File D/19-4-21 Submitted HC 20-21 500

Dept to report whether it is quite necessary to have a rest-house at Channapatna for the use of travellers. This fact was brought to the notice of the Mysore Secretary when he last visited Channapatna.

Instead of constructing a new rest-house at a high cost it will be enough to improve the existing building for this purpose. The Estimate amount Rs 2440 may be adopted. Records &c

Submitted to the Dy Commissioner Bangalore District for kind perusal & orders.

DEPUTY COMMISSIONER'S OFFICE JUN 20 1921 BANGALORE DIST.

Though the new proposed building is estimated is a little over Rs 3000, I am in favour of constructing it as a Chattram for the use of travelling public as the D.B. at Channapatna is always full of travellers, causing inconvenience to one & all. The present Chattram at Channapatna under the management of the Municipal Council is dilapidated and every patch work done by it will not last long. So the building may be replaced now by that now planned by the Asst. Engineer
